

OPTIONAL ACTIVITY No. 3

A GOOD ENTREPRENEUR

An **entrepreneurial spirit** goes beyond setting up a business. It has to do with having a set of **qualities, attitudes and skills** that help you succeed.

What do you think these qualities are? In your mind, what does a good entrepreneur have to be like?

Here are some ideas: entrepreneurs can be self-starters, passionate, determined, creative, disciplined, confident and have a strong work-ethic. This list is not set in stone and there are many types of entrepreneurs!

Think of your favourite film or book and write a brief review on it focusing on the protagonist of the story. Answer the following questions in your text:

- What **qualities** does he or she have that helped him or her **tackle** the obstacles encountered?
- How did they **learn** from their difficult situations?
- What traits would do you have **yourself** that they also have? What skills would you like to **learn** to make you a **better entrepreneur**?

Need a little inspiration? Here are some of our favorite entrepreneurial characters: Simba from The Lion King, Mulan, Mike and Sulley from Monsters Inc.

The School Enterprise Challenge is still running in 2020, and registrations remain open. Because we are adapting the programme in the context of the COVID-19 pandemic, submission deadlines for schools will be more flexible. Our overall mission is to continue supporting teachers around the world to deliver a relevant education to their students by providing new educational content and advice on a regular basis.

We advise all our participants to follow [WHO guidance](#) in response to COVID-19.
